## **Report of Students Satisfaction Survey (SSS) for Academic Year 2022-23**

Students Satisfaction Survey (SSS) was conducted among the students of the college through online mode (Google form). The questionnaire has been framed based on multiple aspects of the college that can help the management to streamline services. The result of this survey is based on the response of 242 undergraduate students.

### **ANALYSIS OF SSS REPORT FOR ACADEMIC YEAR 2022-23**

- Out of 242 students 78.5% responses are received from B.Com students 9.9% responses from B.Sc. students and 11.6% responses received from B.A students.
- Majority responses received are from T.Y students as compared to S.Y and F.Y students from all the streams.
- Regarding completion almost 92.1% students gave affirmative responses.
- Almost 91.3% of students have mentioned that teachers are well prepared for their lessons.
- Almost 87.6% of students have mentioned that teachers are well communicating effectively in the class.
- The Teachers approach to teaching is described as excellent by majority students.
- Internal evaluation process is rated fair by 88.1% students as per the survey.
- On a regular basis performance of the students regarding their assignments is communicated with the students.
- The institute always takes active interest in promoting and organising internships. Student exchange and field visit opportunities for students.
- Our teachers constantly provide mentorship for students, which help the students in their cognitive, social and emotional growth.

- According to the students our institution provides multiple opportunities to learn and grow; which help them for better career opportunities as well as to develop their personalities.
- Teachers usually inform the students about their expected competencies, course outcomes and programme outcomes which help the students in their academia studies
- Most of the students responded that our teachers illustrate the concepts through Examples and applications. Due to which it becomes easy for them to understand The concepts and solve the problems.
- Majority students responded that our teachers identify their strengths and encourage them by giving the right level of challenges. Also weak students are provided guidance to overcome their problems.
- The institute/ teachers use student centric methods, such as experiential learning. Participative learning and problem solving methodologies for enhancing learning experiences as recorded by the majority of students.
- Our teachers encourage the students to participate and take lead in extracurricular activities such as soft skills, life skills and employability skills related activities and seminars which make them ready for the world of work.
- The overall quality and impact of the teaching-learning process in our institute is very good as the maximum number of teachers use ICT tools such as Google classroom, projector, PowerPoint presentations etc. while teaching.
- Large number of students mentioned that the library facility of our college is good. Some students said that books and Journals on their subjects are sufficient in the college library.
